Candidates who are applying for EC category may have a number of certificates of different achievements. Candidates of EC category who finds it difficult to scan and upload documents in this manner may take a printout of the online application form and photocopies of the documents after completing the online submission process and submit the same to the college office manually before the last date of submission.

To reduce the size of the scanned documents the scanner resolution has to be set at a lower dpi (below 150 dpi). Alternatively, there are a number of software utilities and websites which reduce the file sizes for free. We have mentioned a few file reducing websites in our upload pages.
